**PSRP General Membership Meeting—  
September 10, 2003**

**Meeting Notes**

A quorum was present and the President called the meeting to order at 5:15 p.m. Due to technical difficulty, the agenda was revised and members were directed to dinner first.

After members had eaten, the PowerPoint was presented to the membership. PSRP members of the Reclassification Redesign Team, consultants from QTI, and Steve Kowalsky (WFT staff representative) were present for a question and answer period. The Q&A session began at 6 p.m.

At 7:05 p.m., Fran Moritz moved to call for the vote. The motion was seconded. There was friendly amendment to allow for further discussion. The chair ruled this was not a friendly amendment to the motion on the floor. A member from the floor requested reconsideration of the motion and asked the mover to withdraw the motion. The request to resend the motion was denied and the vote on the motion was taken. The motion to call for the vote passed with a show of hands.

Ballots were distributed. Members from the Steward Forum counted the votes and reported the results.

89 In Opposition  
24 In Favor  
1 Abstained

The proposed reclassification system was defeated by the membership.

There was a motion to adjourn and a second. The meeting adjourned at 7:20 p.m.

Respectfully submitted,

Bonnie J. Vandre-Blewett  
PSRP Local #3872 Secretary
